Rebecca and Matt are awesome. Shannon, Julie and Duncan would feel very lonely otherwise.

Hi Everybody.

Everyone on this list either volunteered for the Tech Advisory Committee this year, or are standing members because they are librarians or tech coaches.

I'll follow up with you shortly to start getting an idea of the most pressing thing that the committee feels it should give input on. Budget season is coming, so it may be that you know of needs which the school should address.

Last year we used the Yammer group to post documents and have discussions and this worked well.

Meanwhile, can we plan for a face2face meeting at Ersha on **Tuesday October 6 3:30** and on Wednesday, October 7 3:15 at SP? If we don't meet until after that we run into parent teacher conferences. I can ask your principal to help with covering any ASA or responsibilities.

Duncan, Shannon and Julie. We need a couple more people to join us. Our group is very compact!

Thank you for being part of the committee and see you Monday at our Ersha mega meeting!
